BOARD OF EDUCATION
1. Religious Education
A. Report of Director of Religious Education:

We praise God that His work in Religious Education has progressed well this year. We now have seven consecrated Christian men who have each answered God's call to become a fulltime R. E. worker, each District having its own R. E. worker. We also have an African artist who succeeds Mr. Johnson in

the field of art.

The emphasis this year has been on (1) the developing and providing of materials and (2) the training of R. E. leaders.

(1) In the producing of materials we have provided through the District R. E. workers, materials and pictures related to the S. S. lessons. We have also provided some materials for special events of the church calendar - e. g. The World Day of Prayer Services, in Shona, for both adults and children. The children's book which has been requested is in preparation and an asking for funds to print the book has been made to the Field Committee.

(2) In training the R. E. workers we have held several short schools of R. E. for fulltime R. E. worker as well as others who wished to take advantage of the training.

The office of the Conference Director of Religious Education is now located in the Theological School. Training is given to the Theological students and the Conference program is operated as an extension service of the school.

The Director of R. E. adds, concerning the enthusiasm of the R. E. workers: "It is almost like hearing a new chapter from the Acts of the Apostles to listen to these traveling R. E. workers when they come in with their reports."

B. Committee of Religious Education

1. We, the Committee on R. E. commend these R. E. workers to the Conference and we urge that pastors, District Superintendents and other people in authority make full use of them in churches, quarterly conferences and other gatherings.

2. We note the 6 year cycle plan for adult Sunday School lessons and we are pleased with its effectiveness. We recommend that a committee, composed of Mrs. Griffin, Miss Grace Otto, Mrs. Culver, Miss Ball and Mr. Nemaungwe prepare a course for the Junior Lessons. We are pleased that the sale and distribution of the lessons has increased at places where a R. E. worker has made preodical visits. We feel, however, that greater emphasis upon the usage of these materials must be made.

Also, we urge that more time -- at least two months -- between the publishing and the distribution to the district

centers should be allowed. People are pleased that two quarters of lessons are now being published as one book, thus eliminating some of the distribution problems.

3. In places where plan seem feasible, we encourage the presentation of small awards to pupils for having obtained certain goals in Sunday School.

4. We remember with gratitude Miss Grace Otto's offer to secure pictures and children's story books to be used in our Conference and we are happily anticipating the arrival of same.

5. The need for suitable story books with a spiritual and moral tone for small children has been presented to the Southern Rhodesia Christian Conference. A committee has been set up and will take up the matter in October of this year.

6. While anticipating the preparation of and the arrival of new books, we feel that the "Book of Books" needs stronger emphasis. We should like for our people to become more Bible conscious. We urge that parents, teachers and other Christians encourage each child to possess his own Bible, not waiting until the time that the child can read and understand all of the words contain-

ed therein.

7. We continue to urge that each church secure and distribute copies of of the small card entitled, "Cinyi Mumethodist"?; also, that the pastors secure copies of the new membership cards on which this message is printed.

8. We note with gratitude the emphasis which the Conference Lay Leader has placed upon Stewardship as he has talked to our people. We urge that the Stewardship program in our Conference be strengthened and we recommend that the R. E. workers be given training in this subject and that they, as well as the District Lay Leaders, present it to churches and gatherings where they visit. Further, we would draw attention to the Stewardship posters in the vernacular which may be obtained from the Stewardship Secretary, and we urge that they be put to use.

9. We recommend that R. E. training in our Methodist schools be increasingly emphasised so that anyone who graduates from C. P., T. T., Nurses' Training, or J. C., goes out with some R. E. training and some expectation of carrying out the training which he has received.

Not only is this assistance needed throughout the 5 day week, Our Conference Evan-

gelists and others have observed that in many places there is a certain degree of interest in this R. E. program throughout the 5 day week. But that on week ends many of the teachers are not on duty and they consider themselves to be free from the church program from Friday noon until Monday morning. Their cooperation is most urgently needed for the weekend program-S.S., M. Y. F., Church choirs etc., and teachers should clearly understand the responsibility at the time they are employed.

10. We recommend that our Conference Evangelist be given a week or 10 days annually in each Central Primary School in our Conference, as a special program of evangelistic meeting would afford a marvelous opportunity for bringing our people to a complete committment to Christ.

II. Curriculum

1. We want to inform the Conference that "Nyaya dze Bebura rekare - - Buku reci-piri", Book Two of the Old Testament, can be bought from Miss Reitz at the Literature - Stewardship Office.

2. We want to stress the teaching of uniform writing in all the primary and central primary schools of our conference.

3. Because the government has taken over the making out of all syllabi and schemes of work, we want to recommend that this committee no longer exist, and that which we have dealt with in the past in regard to schools be referred to that sub-committee and that in regard to religious education be referred to its sub-committee.

III. Schools

1. We recommend that Teacher Training be started in the North Country in 1957 because of the dire need of trained teachers there.

Reasons: Notwithstanding the Conference refusal to have a T. T. in the North there are good reasons for recommendation:

a. In spite of double sections of T. T. at Old Umtali the quota of trained teachers in the North Country remains very low.

Mtoko 27%----Nyadiri 12%---25%

b. There is a definite value of Teacher Training amongst the people in the North because the benefit it confers and its growth would be always before them.

c. The local chiefs renew their offer to help in building.

d. The demand for schools is increasing continually and the country will be surrendered to other groups if we

do not show more action.

2. We urge that Nyadiri and Mrewa C. P. schools cooperate in providing places for Std. 5 graduates from Mtoko in their Std. 6 classes, as it is impossible at the present for Mtoko to provide this in so much as location is to be moved.

3. We urge that more scholarships be given to students from Mtoko area to create a group who will return to their area to teach to give the new station a good start.

VI. Home and Community Life

We recommend that the Conference take as a project for the coming year the thorough study of the Christian Home in all its relationships. That this study should include the engagement of young people, premarital relationship, Christian Marriage, the relationship between husband and wife, together with the relationship of Christian parents to their children with special emphases upon adolescent boys and girls in the home. One phase of this is the teaching about sex in its largest meaning. God made male and female with strong instincts and urges. He had to, to insure the self-preservation and self-propagation and development of mankind. The love of man and woman can be one of the strongest

and most beautiful forces to work for happiness and the deeper satisfactions in living, but when sex urges are wrongly used they cause a great deal of misery and tragedy. This means we all should learn to understand better the urges of sex in its various ways and how to guide it to develop people - each individual to become a useful and worthwhile personality, the kind of Christian God means us to be.

Thus we recommend that we should study to understand sex Hygiene in its largest complex meaning.

We feel that the time has long since passed when some definite action should have been taken by our Conference which will help to strengthen the service of the Church in regard to the sexual aspects of the wholesome Christian life, and Spiritual training of our young people that they may be prepared for full entry into all of the aspects of that wholesomeness in their married life.

We therefore recommend that a Committee be appointed to fully study the conditions and needs involved, and to present their recommendations to the next session of the Annual Conference for full consideration and drafting of memorials to the Central Conference

It was agreed that a Committee should be appointed by Bishop Booth as a standing Committee of the conference to which references could be made for interpreting the Discipline and the traditions of our Conference in regard to matters of question, interpretation of rules and regulations of administration of discipline and Church life.

Youth Work:

1. We recommend that at Rukwadzano, Wabvui, and Camp Meetings, the M. Y. F. should have group meetings and be ready to serve wherever they are needed.

2. The following M. Y. F. resolutions were approved:

- a. That the M. Y. F. money should be kept in a bank.
- b. That a constitution be drawn up for M. Y. F.
- c. That all churches provide a suitable hour and a suitable amount of time for M. Y. F. meetings so that the M. Y. F. will be recognized as a definite part of the church's program.
- d. That young Christian people in our schools be continually presented with the great need for young people to be trained as Ministers in our Church.
- e. That there be a closer

co-peration among M.Y. F. leaders, superintendents, ministers, head teachers and other church workers.

- f. That the need for a M. Y. F. Conference - wide worker be recognized.
- g. That there be M. Y. F. District Meetings to strengthen the M. Y. F. members.
- h. That M. Y. F. members should wear their M. Y. F. membership pins wherever they go.
- i. That wherever a M. Y. F. member "falls into sin" and is dropped from the church membership that his membership pin be taken from him until his church membership is restored.

3. In order to help young children develop their church life, we recommend that wherever advisable the Junior Church idea be encouraged for children under 12 years of age.

4. We recommend that another letter be written by the Secretary of the Conference to the Censor of movies and to the Secretary of the S. R. Christian Conference requesting a closer censorship of movies for African audiences.

5. We recommend that the M. Y. F. draw up their

Constitution next April and present it to the next Annual Conference.

 Secretary: E. Chauruka
 Vice " M. Chitakatira

VI. Publications Committee

1. We recommend that all publications in the name of the Methodist Church be approved by the Conference Publications Committee. To assist in implementing this, we move the establishment of a Permanent Sub-Committee consisting of Miss Rietz as Chairman, Mr. Mr. Kodzai as Language consultant, and other member to be selected by these two in relation to the subject of the particular book or books in question. All publications larger than pamphlets to be printed must have the approval of this committee. In the event of a refusal of a manuscript, appeal may be made to the Conference Publications Committee.

2. A discussion was held as to the possibility of using larger print, more pictures and color in in the printing of the Umbowo. We feel that this can be implemented. The pastors of the Hilltop Church and of Old Umtali are to be added to the Umbowo Committee.

3. It was reported that the booklet for the training of Waedzwa is partially printed at the present time, and will soon be ready for distribution.

4. It was further reported that some 1600 copies of the new revised edition of the Ngoma have been received and are ready for distribution throughout the districts and centers after conference.

5. We recommend that Miss Reitz prepare a reading list of available publications within our own conference including books concerned with school, religious education, evangelism, agriculture, hygiene and any other of interest to our ministers and teachers. This list should be circulated throughout the conference so that our people will be aware of and make better use of present literature.

6. We extend our appreciation to Bishop Hagen and Dr. DeWolf for their devotional messages and request that they make available to the Literature Secretary, copies of their messages, so that they might be duplicated in the vernacular and made available to our ministers for further use. Funds for their distribution will be sought.

7. We ask the question of the Conference, are there those interested in subscribing to the African Christian Advocate? If so, those interested make the necessary arrangements with the Conference Representative of the Advocate, Mrs. Carr.

8. We would like to extend a word of appreciation to Mr. Maringanise and his workers at the press for their carrying out the work in the absence of a full time pressmanager.

9. The Committee approved the publication of the third booklet by Miss Ashby, in the health series, and a reprint of book one in the same series.

10. Following is the report from the press as to publications made in 1955.

THE AFRICAN MISSIONARY SOCIETY (Ngariende)

“For as I passed by and beheld your devotions, I found an altar with this inscription, **TO THE UNKNOWN GOD**, whom therefore ye ignorantly worship, Him declare I unto you.”

The Apostle Paul gladly endured many hardships for the sake of Christ. In some places he was driven away, in others he received hard words, but he never gave up his missionary work.

Our work in Chikwizo Reserve needs the prayers of the people in all the districts of our Conference. One day Jesus said to His Disciples, “The harvest truly is plenteous, but the labourers are few.”

The Committee went to Chikwizo on the 25th of March, 1955. Before they went, they first saw the Native Commissioner at Mtoko to ask about the application that had been made in July, 1954, asking for 100 acres for a Mission site. The Native Commissioner said the letter had been answered from Salisbury, and the answer was not in our favour as the place did not have enough water for a Mission. He advised the members of the Committee to improve the present school buildings as a Kraal school and to improve the water situation,

and also he told us to go to Salisbury to see the officers of the Education Department. He said that if the Education Department would agree, he would be willing to give us a place for a Mission in Chikwizo.

On the 25th the Committee went to Chikwizo to see the Chief and his people about making bricks to put up school buildings and staff houses. The Chief was present at the meeting, and we agreed upon the making of bricks and that the Kraal Heads should lead the people in this work. The African Missionary Society promised to send forms for moulding the bricks and two drums, which they did immediately. They also promised to pay the builder for his work and to buy iron for the roof.

After two or three weeks, we received a report from our Missionary stating that the Chief and his people had had a meeting and that they had agreed to our proposals, and they requested a meeting with the officers of Ngariende.

There is one aided school with three teachers. Our Missionary is the Head teacher, and we very much need a trained teacher to carry on the school so that our Missionary can give his full time to pastoral work. There are more

than a hundred children attending the school this year.

There is a Church building which is used as a school building, but we are still planning to build a school. There is great need for an evangelist to help in promoting the work of the Kingdom of God in Chikwizo.

There is a clinic with one staff nurse. The clinic is not very large so the superintendent has suggested to the Ngariende that we let the nurse teach and work in the clinic at times arranged outside of school hours. We thank sister Jones for the help she has given in running our clinic.

The chairman and the treasurer went to Salisbury to see the Government authorities about the site for a Mission. Mr. Smith said we cannot open a boarding school at the old place because of the lack of water. If we want a new place we will have to close the present one, because we are not allowed to open any new schools because of the percentage of trained teachers being below that required by the Government. He mentioned the time he had come to our Conference to speak about the need for a Teacher training Centre in the northern section of our work. We are now planning to see the Native Commissioner at Mtokoto discuss the matter further with him.

The Committee have not been able to find the records kept by the different workers. We therefore ask the auditing Committee to audit the books each year as they used to do. Gratitude was expressed to the Wadzimai for their help in the work of Chikwizo.

The officers approved for the coming year are as follows:-

Executive Committee:

Chairman: J. Kawadza

Vice- " Rev. J. Chitombo

Secretary: S. Kowo, Assistant

Secretary: L. Mandizha

Treasurer: Rev. J. Chidzikwe

Members of Committee:-

Cleopas Madzimbamuto

William Maibaya

Solomon Pawiramaunzi

Enoch Chieza

Joseph Makuto

John Masosonore

Rev. Enoch Munjoma.

Timothy Nyakunu

An inventory was made of the various building and equipment items owned by the Ngariende.

Simon Kowo, Secretary.

Board of Evangelism

A minister was called on the telephone one night by another minister and this was his message, "My Church is on fire." The minister nearly got a shock before he realised his fellow - minister did not mean the building but the people; the Holy Spirit had fallen. When we review the past 4

years we wish it could be said of our Church in Rhodesia "We are on fire." Let us remind ourselves of the testing words in Rev. 2: 15, "I know your works; you are neither cold nor hot. I would that you were either cold or hot; because you are luke-warm I will spew you out of my mouth." We are afraid we at least have to confess that our Church is not on fire. We agree with Bishop Hagen, "We are not satisfied." We have seen the good results of our Conference Evangelistic team, in our Women's Annual Meetings and the growing progress of Wabvui Bands, the rising influence of M.Y.F. on the young people in the conference area, and the outstanding work done through the Women's Bible Schools, and the statistics tell us that we have gained at least 60 new preaching places and have an increase of about 1,200 Christian families, and that the offerings are on the way up but looking at the other side, we see the lack of real consecration on the part of the Church in supporting the ministry. Especially the young people feel the Church is not in earnest in promoting the ministry. The Church seems to care more for the educational part of the work more than for the Spiritual side. We see

the lack "of following up" of revival meetings after the Evangelistic team has gone. At too many places, the congregations seem to sit back and take a rest, waiting for the team to come back and get the fire started again. We seem to see a cold spell as a natural followup. We regret that the goal of doubling the membership has not been by any means reached. We also see and feel that real Bible teaching is not given enough place in our educational work. We therefore, recommend:

1. A prayer campaign for our ministry throughout September every year in the Quadrennium 1956 - 60.

2. That the faculty at our Theological School through personal visits in our Districts and Centres promotes a greater interest in this vital part of the work of the Church.

3. Bible Schools for men Annually here at our Seminary at Old Umtali.

4. Special Bible-Weeks and Activity-Weeks at our Centres and Centre Schools.

5. That the "Ten Commandments" be used as texts for sermons; one used each month.

6. That someone be appointed as Counsellor at our Central Primary, and Higher Training Schools,

7. That Bible Correspondence Courses be a part of our urgent work during this Quadrennium.

8. That 5.000 new members be our goal for the next four year.

9. That we put an all-out effort on the Evangelism and Literature work and consecrate ourselves to this task.

10. That the following list for Women's Bible Schools be approved:-

1956

May 3-13, Nyamaropa

May 17-27, Muradzikwa

May 31-June 10, Nhedziwa, Mutambara

June 13-24, Mt. Makomwe

June 27-July 8. Salisbury

Sept. 6-16 Mtoko

Sept. 20-30 Nyadiri

Oct. 4-14 Mrewa

Oct. 18-28 Headlands.

We further recommend:-

1. The maintenance of the full work of the Conference teams for Evangelistic and and pastoral extension work throughout the quadrennium.

2. The establishment of Evangelistic centres in the Tanda-North Inyanga region.

3. The provision of short training courses at the Theological School for all Evangelists now in service.

4. The preparation of plans for the widest possible distribution of the Bible in the new orthography as soon as printed.

5. Continued efforts to secure African school superintendents to enable the Church Superintendents to give greater attention to the life of the Church.

6. Regular, carefully planned out-reach of all African and Missionary workers at the Centres to the Communities around.

Somebody asked a minister, "Do you have special revival meetings in your Church?" He replied, "No, because all of our meetings are revival." We pray to God that this may be the case in every Church in Rhodesia.

J. Chidzikwe.

Board Of Lay Activities

Since the administration of the Lord's Supper is one of the most effective revival occasions in our Church, we feel that the administration of it should be more than the existing 4 times per annum, preferably once a month in all of our Church stations.

This could be done at the discretion of the Pastor in charge, but we recommend strongly, that this be done at each station as far as possible.

Board of Ministerial Training and Conference Relations

Besides the items regarding the regular promotion of ministers and the answering of the disciplinary question, the Board enacted the following

business:

1. A letter of retirement was received from Rev. O. Chimonyo. It is with regret that the Conference is asked to accept the the retirement of Rev. Chimonyo due to his ill health and consequent inability to carry on. We recommend that Philip Chieza be put on the retired list. He has given 27 years of service.

2. The Mtoko District has recommended Mr. D. Mudzengerere as a candidate for the Ministry His name is accepted and referred to the Theological School Advisory Committee.

3. We recommend that Davison Chikosi be given another year in the supernumery relationship. He has assured the Board that he will be able to meet his obligations by that time and re-enter the ministry next year.

4. The following candidates were approved to take studies toward local Ordination: H. Mafunga, Joel Gwara, Wm. Karumazondo.

5. We request the Conference secretary to make consession arrangements on the Railroad for all ministers traveling to Conferences and other official meetings.

6. In co-operation with the Board of Evangelism setting the month of September as a month of prayer for recruits

for the ministry we would recommend that the last Sunday in September be placed on the Church calendar as the Sunday for a special presentation of the ministry to our Church.

7. Dr. Harold DeWolf's schedule was discussed. The plans made will be placed in the Church Calendar and announced by post.

1. September 5-11--Agricultural Conference, Waddilove

2. Sept. 12-Oct. 3, Old Umtali and Umtali

3. Oct. 4 - - 6, Methodist Council, Salisbury

4. Oct. 11 - 23, School for approved Supply pastors and Evangelists.

5. Nov. 1 - 15, Local Preachers' School.

6. Feb. 8-23, Pastors' School.

7. March - April Interdenominational Work, etc.

Board of Temperance Report

1. Rev. N. Chigubu was elected chairman; Rev. S. W. Munjoma, Secretary.

2. We report that no competition was held because no money for prizes was received.

The competitions were to be about the evils of tobacco and liquor.

3. We report that Dr. Nutting did not prepare a booklet on temperance; therefore, we kindly request that Miss Reitz have the booklet,

“Pfumvu Ye Kumwa kune Simba” reprinted.

4. We ask Miss Reitz to find more material on temperance for distribution in the Conference.

5. We ask that temperance lessons be taught at pastoral schools and at leaders’ meetings in the circuits; also that religious education workers teach temperance lessons.

6. We ask that on Temperance Sunday (the third in November) that Sunday School lesson be on temperance, also.

7. We ask all preachers to remind their people to bring the booklet, “Pfumvu Ye Kumwa kune Simba” to Sunday School on Temperance Sunday.

B. Report of Commissions

1. Worship and Music
2. Finance

Com. on Worship and Music

a. Our deep concern for the improvement of the quality of worship services leads us to urge the more careful and reverent reading of the Vernacular Bible. We urge that the speed used by the leader of responsive readings be suited to the congregation, not being so fast as to rule out a large part of those present. Also, that the pastor ahead of time invite the best possible reader to lead the congregation in the response. Also, that opportunity should

be taken in informal services of the church to lead in the reverent and understanding reading of hymns as well as the improvement in singing.

b. We recommend that prayers not be interpreted, each person praying in the language he desires to use.

c. It is pleasing that so many of the church choirs, at both outstations and centers, are using an increasing number of vernacular songs in the church services.

d. We should like to discourage the interspersing of English words and phrases in Shona sermons.

e. The sub-committee on the Taylor Memorial Bells reported on the programme for the dedication of five memorial bells (See sheet herewith.)

The committee recommends that:

1. Our Conference Secretary write a letter of thanks to the members of the John A. Taylor family.

2. The sub-committee on the Taylor Memorial Bells be continued.

f. We recommend that the Conference Committee for Music be selected and the members notified at as early a date as possible.

J.Machiri, Chm. E.Chieza, Sec.

Commission on Finance

of Rev. H. F. Anfinsen, as Conference Treasurer.

b. Conference Administration.....£ 20.

c. Accepted Supply Pastor's Relief £ 1 to be paid by the circuit for each Supply Pastor.

d. General Administration Fund.....£ 20.

l. African District Superintendent's salary assistance £90.

m. Gen. Conf. Delegate, replacement:

One half of salary: £72

Incidental expenses: 28 £100.

3. We recommend that we ask the Field Committee to contribute £ 40 toward the cost of the Conference minutes

4. In reply to the request from the Northern Section of the African Christian Convention that the Conference consider providing cars for the African District Superintendents and assistant District Superintendents, we report

that our Conference does not yet supply the salaries in full of the travelling ministry, but we look forward to the time when that will be possible and at that time such a request as this might well be considered, but at present we do not feel that it is even possible of consideration.

Interdenominational Relations

1. The committee accepted the recommendation of the Methodist Council about Higher Teacher Training and Secondary Education:-

That "in the immediate future Higher Teacher Training should be provided at Wadilove and Secondary Education at Old Umtali to serve both Synod and the Conference students at this end of the country. A quota and an exchange of ten students is suggested recognizing that this is too small to satisfy our needs.

2. The committee accepts the recommendation of the Methodist Council about the development of the Joint Christian Centre in Salisbury, and recommends that it be under the supervision of the Methodist Council and con-

firms the appointment of the following persons as Conference representatives:- Bishop Newell S. Booth, Revds. S. Chieza, M. Murphree, E. Aeschliman and Miss Ball.

3. The Committee accepts the Methodist Council's resolution that we proceed with the program of Joint Theological Training as presented in their report as follows:

a. This Council favours the proposal that Ministerial Candidates should be enabled to take a B. A. degree. Revd. H. J. Lawrance was requested to make enquiries concerning probable University fees.

b. This Council agrees to press that a faculty of Divinity be established in the University as soon as possible.

c. This Council is of opinion that the training of candidates for the Ministry for both branches of the Methodist Church should be carried out jointly, and that Ministerial training should be at Epworth and the training of Evangelists at Old Umtali.

d. This Council is of the opinion that such joint training should be begun in January 1959.

e. This Council agrees that a committee of 10 - 5 from the Conference and 5 from the Synod - be appointed to work out all necessary details including buildings, curriculum ect.. The Rev. H. J.

Lawrence shall in consultation with Bishop Booth arrange the first meeting of the committee at the end of September or the beginning of October during the visit of the Field Secretaries from England and America. Conference delegates suggested Salisbury the meeting place.

4. The Committee recommends that a presentation be made of the factors in involved in the relationship between St. Andrew's and the Conference and the possible relationship of St. Andrew's and the Synod.

5. The Committee makes the following recommendation as a reply to the request of the S. A. G. M. local staff that we make available one of the new block schools at Nyanyadzi for their care and development as they are now able to take care of it.

Reply: a. We believe that their should be a unified school system under one administration at Nyanyadzi and therefore do not recommend the admission of another school supervisor in the community.

b. We welcome their spiritual fellowship and extend to them the facilities for instructing their Bible classes and visiting the school informally and invite their participation and support in the life of the Church,

c. We do however believe

it unwise to change the nature of the present work and encourage them to propagate the work of their schools and church where they are already established in the adjoining Nyanyadzi development.

Film Library: The attention of the Conference is drawn to the fact that the film library of the Southern Rhodesia Christian Conference is now in operation as presented in the minutes of the Methodist Council of April 21st 1955 and this committee recommends further that a grant be made for the development of the film library.

This was referred to the Field Committee for action.

Medical Activities

We appreciate the many gifts made locally in support of our Babyfolds at Nyadiri and Old Umtali.

A special musical program was planned and given by teachers visiting Nyadiri, and a small admission charge brought a gift of £4-0-0 for our Babyfold.

A visiting group from the Anglican Church made a contribution to Old Umtali Babyfold.

We believe that Babyfold Sunday should be observed more widely throughout the Conference and recommend that letters be sent from the 250 centers to remind people

about Babyfold Sunday and also supply information that would serve to stimulate interest in giving.

In correction of a statement made last Conference, we wish to say that the Conference Rukwadzo is paying the salary of the Nurse working at Chikwizo Clinic.

It was recommended that we place more emphasis on Health education (Hygiene, prevention, nutrition) to be carried out in the following ways:

1. Teaching in the schools as well as the other group classes or instruction being carried out.

2. Emphasis on Health teaching in our School of Nursing, the General, and the Midwife course.

3. Increasing efforts in ante-natal and well-baby clinics with our mothers' classes.

We recommend that Midwifery experience for our students be confined to the Nyadiri Hospital area, and that we establish more antenatal and well-baby clinics in nearby areas in connection with the Midwifery Course.

It was also recommended that we take post Std. 6 students in nursing in 1956, adding six months to the three-year General Nursing Course plus the one year Midwifery.

Secondary students will receive preference and they will

have only the usual three year course.

We are still hoping to have enough Secondary Students for the class in 1957.

Auditing Committee

The books of the following organizations were audited and found to be correct and in order:

1. The Conference Treasurer, funds on hand--- £727-13-4 $\frac{1}{2}$
2. African Christian Convention, North----- 44-16-1 $\frac{1}{2}$
3. African Christian Convention, South 71-9-5 $\frac{1}{2}$
4. African Missionary Society---672-6-9
5. Rukwadzano rwe Wadzimai---- 1431-11-3
6. M. Y. F.---- 136-16-4
7. Honde District-- 60-8-9
8. Umbowo books were not submitted for audit.
9. Salisbury Methodist Church books were not available for audit.
10. The Salisbury Church Building Fund books were audited in May and it was thought unnecessary to audit them again at this time.

Urban Areas Report

1. A.P.T.A. has been formed at Mutanda School, Sakubva. Most of the members and officers are Methodists.
2. We urge the increased

emphasis on the raising of funds for the Salisbury Church through the committee appointed last year. If the evangelistic teams be continued, they should spread this word.

3. We recommend that the Church through its Superintendent keep in touch with the development at the Muradzikwa area. We also recommend that all Superintendents keep in touch with potential developments of townships.
4. We wish to continue to cultivate the people from the Portuguese Territory. We look forward to the time when the Church can employ a full time worker with the people from the Portuguese Territory.
5. The matter of securing a site for a Chapel in Sakubva is being considered and we expect a definite statement by next Conference.
6. We as an Urban Committee feel the new MacKinnou Hall at the Hostel, Umtali is a big addition to our Christian work.
7. We heartily approve the joint Christian Center at Harare and pledge our support.
8. We would like to call the attention of the Inter-

denominational Relations Committee to the great need for replacing the former evangelist for shepherding our people at Bulawayo, by co-operating with the Synod.

9. We express concern over our people at Johannesburg and wish to inquire if work is being done or could be done there.

Report on Student Loans

1. In 1955, 24 students received student loans and and £233 were spent.

2. For 1956, 41 students have applied. We, as a committee, refuse to accept those who have been teaching. They should have money for their fees. Also, we refuse to accept those who are weak scholastically. If the 34 we accept tentatively now, pass their present standard, £430 will be needed. The report of the Conference Treasurer shows that about £164 remained in the Student Loan Fund on August 1st. We shall need about £266 more in the fund by next January.

3. We want to thank Mr. T. Roberts and Dr. Sherertz for his recent help. He typed lists of those who have received student loans and sent those lists to the people concerned. No doubt, more loans have been repaid as the result. (The secretary receiv-

ed more money than usual to send on to the treasurer.)

4. We recommend that headmasters, headmistresses, principals, and district superintendents not sign student loan application forms unless they are sure the students are worthy as far as character and need of financial help are concerned.

5. We elect L. Phaff Secretary of the Student Loan Committee to take H. Wildermuth's place. The past secretary is due to go on furlough in 1956.

6. We nominate Miss F. Hackler as the sixth member of our committee to fill the vacancy left. We ask the Conference to elect her, or someone else they prefer.

The following officers were approved:-

E. Chieza, Chairman, L. Pfaff, Secretary, Conference Treasurer, J. Rugayo, O. Musingwini, F. Hackler.

Resolutions Committee

We have had the unusual privilege this year of having with us Bishop and Mrs. Odd Hagen of Norway. For their presence and leadership we give thanks. For his messages of devotion we are grateful as we have been led to a deeper understanding for the need of a full surrender to God.

For the leadership of Bishop Booth as he has counselled and

contributed to our discussions, and for the presence of Mrs. Booth and the fellowship we have had together, we express our sincere appreciation. It has also been a pleasure to have with us Dr. and Mrs. DeWolf of Boston University. For these and others who contributed greatly to our devotional life we express our gratitude. We have gained a better understanding of the unity of our Methodist Church by the presence and participation of the fraternal delegates from the Synod.

There are many who have worked to make our week comfortable and enjoyable. To those who planned and arranged for food and housing, those who were responsible for music, for secretarial assistance, social teas, and the most enjoyable Reception in honor of our Bishops we also express our appreciation.

Throughout the week we have been called to remember the inspiration which we received through the meetings and times of meditation on the opening day of Retreat. The Tower Chimes, too, have added to the worshipful atmosphere of the entire Conference. Let us give thanks

to God for His continued presence with us.

Memoirs

Silas Katsidzira was born at Old Umtali in 1923, and attended school there from 1933 to 1942. From there he went to Kilnerton Institute, South Africa, from 1946 to 1951. His death occurred at Makumbe hospital, 30th Sept., 1953, and he was buried at Makumbe.

A letter from Samuel Tsopotsa tells of word received from Rev. R.C. Gates that this Conference plans to provide a tombstone for the grave of Rev. Faku, who died and was buried in the Union of South Africa. He was a Minister of this Conference for a number of years, but retired in the Union.

Mr. Tsopotsa, who is at Fort Hare, says he has finally located the grave of Rev. Faku and urges the Conference to deal with this matter very soon, if such is the intention because the grave may be very difficult to locate in the future. He offers to supply all necessary information,

Superintendent's Composite Reports

Bishop Hagen, Bishop Booth Conference Members, Fellow-workers, and guests:

We have put our hands to the plow, furrows have been made and the Lord's Acre in Southern Rhodesia is being tilled. We, your appointed Superintendents, would hope that we might be pardoned for a short 'backward look,' as we also plan for the future at this session of our Annual Conference.

We are sure that the blessings of God are upon all of His workers, for there has

been a very good Christian Spirit of co-operation, working together, and of understanding one another, in the local churches, and in the Quarterly Conference meetings. There have, of course, been many hard problems, both on the level of the local church, and on District and Conference wide levels, but with courage, prayer, sacrifice, forgiveness, and service, we have been able to go forward unto this day of accounting.

Our ministers report that there have been the usual Camp meetings, special Sunday services for special days, Christmas and Easter Season meetings, Quarterly Conferences, Class Meetings, Sunday Schools, M.Y.F., Wabvui, and Rukwadzano rwe Wadzimai meetings and conferences; and

that through these media the Church continues to go forward. The day by day routine pastoral ministry of our 'circuit riders' mile after mile over mountain, through sand and mud and river by bicycle, visiting homes, clinics, schools, local preachers; making out preaching plans, conducting weddings, funerals, baptisms, attending unending meetings; each and every one of these phases of the work of our ministers adds to the fire of the spirit in the hearts of God's people, and our ministers are to be commended for their continuing effort, that their flock might have the best guidance and leadership they are able to give. We continue to praise God for the weekly pulpit ministry of our local preachers and stewards in every village, who regularly and continually extend the voice of the circuit ministers a hundred - fold every Sunday. God's blessings have been upon his ministers, and the members whom they serve in His Kingdom.

We again express spiritual gratitude for the evangelistic leadership and training being provided for the circuits by our Conference Evangelistic teams. In each community where a campaign has been conducted, the work has become much stronger. Miss

Tubbs, with her staff, has conducted many more excellent Bible Training Schools for our women, who have then returned to their more remote villages to be better leaders for their groups there. We sincerely hope that these programs may be continued in the future.

The Sunday School work of the Conference is receiving a great boost, with the addition of trained workers in Religious Education for each District. The program of training for these workers is greatly appreciated, and their leadership is sorely needed in nearly every one of our villages. This new program is underway with a good start. Let us all give it a 'helping hand' in every way possible' that our people may be a 'people of the book', and know the facts of their faith, through organized and supervised study in our Sunday Schools. We also express appreciation to the writers of our Sunday School lesson leaflets, and urge each village to make wider use of these papers in their classes in the Sunday School.

The increasing acceptance by our workers, of places of leadership in the work of the Church, and over-all administration, is paying dividends that are not to be over-looked

today, and that will shine out above much in the future. The wider understanding of our work, as seen by the African members of the Field Committee, and the larger service being given by our Nyadiri Superintendent, and our Assistant Superintendents to their own people, have caused the people to sit up and take notice that they are responsible for much of the direction of the work of the Church, and the very life of the Church is taking on new spiritual strength as a result. Better understanding of new phases of our program has been a direct result, where these workers have been privileged to serve.

Several Districts have had District Conferences, or leaders meetings, which have been very helpful in the organization and carrying out of the District program. The Christian Activity Week as the spiritual high-light of the year on the Mutambara campus, with guest speakers bringing inspirational messages about the various vocations open to the students. Stress was laid on the ministry, and on teaching.

The work of Conference Lay Leader has been very helpful in getting the Districts properly organized with Lay officers. He has travelled

widely through the Conference area, and has spoken to many groups. His desire to promote Stewardship and tithing, and his messages on this topic have been fruitful, and appreciated by the ministers and the leaders of the circuits. Our people have seen a great light, and are trying to walk by it; they are walking better and better as they learn more and more of the Way. We feel that the Holy Spirit is at work in all of our areas, and that God is richly blessing our efforts. To Him be the honour and glory for the success of our work.

No longer have we Kraals over the country-side, but villages, each with its own Church and school. Buildings are rising up rapidly for these, so many villages so many buildings that it is impossible in this report to mention them individually. People are either burning bricks, digging foundations, collecting money for builders, or gathering poles for roof supports, almost everywhere one can turn to in the Conference area. Our people are doers of the Word, and not hearers only.

New Church buildings have been completed, or are under construction at Muziti, Ndingi, Sherukuru, Vumbunu, Buwu, Zinyembe, Mukahanana, Chitenderano, Chiduku, Tikwiri, Mhanda, Chirinda, Mafarari-

kwa, Mandiambira, Macheke, Chikore, Mugadza, Maramba, and in the Nyadiri District 4 new Churches are under construction in the Uzumba Circuit, 4 more are being built in the Nyadiri Circuit, and 2 more in the Nyadiri East Circuit. The Nyadiri East Circuit has nearly finished a new parsonage for their minister, and the Uzumba circuit is building 2 minister's houses. A new parsonage is being built for the minister of the Gandanzara Circuit, and the parsonage of the Marange North Circuit has been completely rebuilt, greatly helped by the minister's ability as a builder.

Many new classrooms have been built throughout the Conference, new teachers houses, new latrines, industrial class-rooms, and better school facilities in general, are to be seen as one travels from Nyanadzi to the Ruwenya River. The new staff houses at Old Umtali were said to be the very finest in the Colony, by a leading Government official. Mutambara boys' dining room had been redecorated, and made into a convertable auditorium - dining room combination, and plans are under way for a social hall - auditorium for the Mutambara School. The new Mission site at Nyamazwi is waiting only for a builder to arrive, that build-

ings might spring up to serve that area. Mtoko is planning to erect a large new Church at the Centre, to meet the increasing need there. Arnoldene is awaiting only their status before proceeding with a large building. Glenada has completed a new teacher's building. The new Theological Building, staff and student housing, and the final completion of the Teacher Training and Beit Hall, and the Treasurer's office, put Old Umtali on the map distinctly. The new hall at the African Girls' Hostel in Umtali in honour of Miss MacKinnon, will fill a great need. Nyakatsapa is completing an 8 room teacher's house, and starting on the large new Church. Mutambara has added some new teacher's houses to its campus. Practically all of this new building is being done on a permanent basis, using properly burned brick, and a permanent roof of Asbestos or Iron.

The new Hospital at Nyadiri is well under way, with a Dormitory for Maternity mothers having been completed. The first unit - medical and surgical ward - of the new hospital is rising rapidly, and the Hospital Chapel will be started in September. The erection of the Opportunity Fund - Staff house has helped

to supply better housing for the School staff. Pupil housing at the Nyadiri Girls' School Boarding has been much improved.

We have reviewed briefly the spiritual and physical aspects of our work, but what about the mental or educational? New classes have been opened in many of our village schools, thus lifting up the level of our academic training in the country-side. Also the new Standard 4 class at Nyanyadi deserves special mention. We regret the decision of the Educational Department of the Government to refuse the opening of an new Standard IV classes in 1956, some of our villages having made complete and final preparations to receive their Std. IV class next year.

Plans are going forth for the opening of the Cambridge course of study at Old Umtali, as soon as possible, and plans have tentatively been made for a higher course in Theological Training in the future. Certain outstanding and qualified students have been recommended for scholarship training in Universities abroad, and others are presently studying in England. We rejoice that higher training is becoming available for our people, and only await the day when we can receive them back into

our midst, highly trained, fully qualified, and desirous of being the Leaders of their own people spiritually and academically.

The academic education of the children of the Conference area continues to develop, and to be both a very great blessing, as well as a considerable burden in many ways. It is both a wonderful opportunity being utilized, and a hindrance often recognized in the spiritual development of our people. The hindrance is capitalized by the constant increase in governmental regulations over our schools and teaching staff, which requires more and more supervision with less and less remuneration, and tends to pull our pastor teachers away from the spiritual service, unto the secular service as a government servant under the Mission. This fact is lamentable.

One cannot deny that in many ways our teachers recognize that they are serving two masters, and that they are prone to oftentimes lean toward considering themselves as servants primarily of the government because of its financial support for their salaries, even the even that does pass through Mission hands before reaching them. They fail too often to recognize the great weight of the burden

that the Mission is carrying for the school system, that the Government cannot pretend to try to carry. However, many are still truly 'pastor-teachers' in the fullest sense of the term, and serve the Church fully 7 days each week with very strong spiritual leadership. Some of our teachers are our best lay preachers, and their names appear on preaching plans as often as that of the minister. For those, we are truly thankful.

The crying need everywhere is for more trained teachers, who are also spiritual leaders. Both qualities are essential and these are needed in every village in our work. The new regulation of the Field Committee will, we hope, enable our Conference soon to be above the Government ban, and we will have a higher percentage of trained teachers, aided by the larger facilities of our new teacher Training building at Old Umtali. However, Missionary staffing would seem to enter greatly into this picture at the present moment.

The evangelistic work of the Wabvui here deserves a place of recognition. Working constantly within their own locale, each group has been a strengthening factor of note in most circuits. But in the larger evangelization of

out-lying areas, they have done much that might well not yet have otherwise been done. The Inyanga North area of Katerere has been the target of Wabvui bands from the Chikore -- Tanda circuit and the Nyakatsapa Circuit, and the voice of Christ is being heard in that area through their labours, and personal determination to 'bring others to Christ, and to seek out the "lost."

All parents eventually look forward to the time when their child will become self-supporting. The Methodist Church is no exception, and that time is coming nearer every year. The increasing of the salary schedule for Church workers, at Conference last year was a venture in faith, taken to correspond with the governmental increase for teachers. That venture was not in vain, the faith was good, and brought forth fruits worthy of commendation, in many places. Several circuits have paid their ministers and evangelists on the new scale and remain with a credit balance. Other circuits still have some way to go to do this, but they are well on the road to full payment. The new scale has been met on most districts with keen interest and great effort. The lone exception to this is part of the Mutambara District, where

two circuits paid in full, but four circuits refused to comply to the vote of the Annual Conference. They disregarded their annual Conference representative's vote, and considered themselves isolated groups, in spite of representation. Their superintendent states that there is need for more stewardship - education, and motivation to Church giving for these people. We, your Superintendents, believe that this new step has basically been a strengthening factor and recommend that it be retained for further trial and observation, on behalf of our traveling ministry.

The Mtasa - Makoni, Marange - Chiduku, and Mutambara Districts now have African treasurers for each circuit and Quarterly Conference, and all Church monies is handled and proper books are kept by them. The Nyadiri District has this year started a "Common Pool" system of finance, with a District Financial Committee being set up composed of 7 Africans and 3 Missionaries. Nyadiri District also uses the pledge card system of stewardship for their budgeting. This release of treasurership to the African constituency, and their handling of their own Church monies, has led to a clearer understanding of financial

needs, expenditures and obligations, and has created a fine spirit of understanding between the leaders and the people in all districts where it has been done.

Regarding the organization of our work, and work areas, it is the sincere hope of your Superintendents that the Conference area can be redistricted, changing district boundaries so as to give better supervision to our work, and more equal supervision to all areas, including the presently neglected ones. We urge that if at all possible, the decisions concerning changing of boundaries be decided upon at this session of the Annual Conference. Within present Districts, circuit re-organization has been tentatively planned for within the Maranke circuits and the Mtasa circuits.

There is evidence of a new interest in the work of our Church by various European groups. In the Headlands circuit, Mai Choto has organized a group of Women's Clubs, assisted by Mrs. J. R. Clark, a European neighbour lady, and this movement is lifting up the standard of homecraft in those villages. They were able to organize an outstanding homecraft show recently, which was judged by the wife of Chief Mangwende, and Mrs. Fitzpatrick. At Mtoko,

the friendly European Sports Club presents a monthly bioscope at the Mission for the pupils, and they are interested to see the good discipline and the intelligent appreciation of the audience. In the Christian centre in Umtali, the Toch-H European Club presents a monthly bioscope for the benefit of the African Community there. These cooperative efforts on the part of the European population are indeed appreciated and reflect a growing interest in the work of the Church in those areas.

The Sakubva Christian Centre in Umtali, since its opening last Conference - time, has been a regular beehive of activities. Sunday School classes, Junior Church, M. Y. F., Class Meetings, Wabvui and Rukwadzano rwe Wadzimai meetings are held in the Hall. The Centre has made it possible to have separate classrooms for the Sunday School groups, and also to separate the M.Y.F. into four sections. Many other groups meet in the Centre. Children's meetings for guided recreation are held weekly. Methodist Boy Scout Troops, and a Girl Guide Company have been organized; recreation groups for games are carried on, including shuffleboard, badminton, table tennis, and other games. A Table Tennis tournament

for Adults and Juniors was held. Out-door playground equipment for children has also been installed. There are handcraft classes for boys and girls, sewing classes for women, and cooking classes meet weekly. Concerts and other entertainments are held monthly. Wedding receptions are held in the Centre almost every Saturday. One of the most encouraging features is the participation in the various activities by the teachers from the Government schools. They help in the Sunday School and M. Y. F., and in various other activities. They have organized a Teacher's Discussion Group which meets after the Sunday Service. The teachers are also making good use of the Library and Reading Room facilities. Truly the influence of the Christian Centre is extending into the life of the entire community.

There are at present 130 girls in residence in the African Girls' Hostel in Umtali, with 20 others who claim the Hostel as there home. Plans are under way for the 25th Anniversary Celebration of the opening of the Hostel, which will be observed October 8th. At that time the new MacKinnon Hall will be dedicated. A very impressive service was held on April 3rd, when the foundation Stone Laying for

the new MacKinnon Hall was done by Bishop Raines, with Mrs. Raines being present. The Hall is nearing completion, and work has already started on the additions to the Hostel dormitories, to give added space for more future residents.

The Conference Health Education team, including two African nurses, this year has visited in each of 22 different village schools or Churches for 5 day periods. The people have shown much interest and some have changed some of their diet habits when they have learned a little about the nutritive values of foods. These nutritive values are vividly presented through the media of excellent charts worked out by the team, and drawn by a teacher. The team is also promoting the use of skim-milk and sugar-milk as diet supplements. The response is most heartening. They have found considerable goitre in three of the schools, and now the Govt., as a result, is seeking to make iodized salt available to those areas.

Our medical program at Nyadiri continues to go forward. The addition of a new Missionary nurse to the staff has made possible increased emphasis on the Maternity program there, with gratifying results, especially in the ante-

natal and well-baby clinics. This will also make possible the addition of a special course in Mid-wifery to the Nurses' Training Program, beginning in January of 1956. In the villages, clinics are being held at Chitimbe, Maramba, and Dindi, and also at Chikwizo. Many patients are receiving treatments from these clinics who could not find it possible to come to the Mission or other health centres.

The Medical work at Old Umtali continues in its fine tradition of the past, with many mothers from the surrounding hills coming there for their Maternity services, in preference to the Umtali hospital. The staff is kept busy caring for the routine clinical patients of the School and Mission.

At Mutambara, the Mother Hughes Maternity Hospital, under construction last year, has during this Conference year been completed, and is giving wonderful service to the waiting mothers of the area. Maternity cases are being cared for daily under the very best of conditions, and with the finest equipment available. To improve present facilities for clinical treatment, grounds have been cleared, and construction is under way for a new clinic building.

At Mutambara, the Mission farm continues in its program of providing agricultural training for the boys, as well as a source for feeding the pupils. Both the main farm, and the W.D.C.S. farm have had very good years, and are in full production. European neighbours of our Mission at Mutambara have been attracted by its fine agricultural program, and are planning to conduct their annual Farmers' Day on the Mission Farm there this year.

At Old Umtali, Mr. Henry Ferreira has taken over the management of the Woodlands Farm, and is earnestly endeavoring to put all aspects of that farm onto a financially profitable basis. The farm is again supplying milk to the Mission, with the major farm activities centering on the so-called 'Big-lands' across the river Nyagambu.

At Nyakatsapa, some soil conservation work has been done by the people, under the leadership of Mr. Ferguson Chiorah, the agricultural teacher in the School. Much more such work has been projected by Mr. Dean Manbeck, the new Conference Soil Conservatioist. The New rental rate approved by Field Committee and the Government, will permit our securing a full-time African Dem-

onstrator, who will be able to lead our people there along the paths of righteousness in their farming practices!

The Nyadiri farm has come nearer to paying its way this year than last, but there is still much to learn, and much to be developed. The production potential of this 6,000 acre farm is far from being realized. More and more of the supervision work is being taken over by Mr. M. Nyacoto, leaving the agricultural Missionary free for developing further aspects of the more abundant life.

And so another year comes to a close. We have been the cause of our failures. May we be forgiven. Some achievements and growth have taken place. May God whom we serve be glorified and praised! We have looked back. May we be pardoned. But may we also lood ahead, at this session of our Annual Conference and make such plans as will lead us onward, and upward as we, working together in His service, press on toward the mark of the high calling of God in Christ Jesus.

Respectfully submitted on behalf of the Superintendents of the Rhodesia Annual Conference.

LITERATURE - STEWARDSHIP REPORT

The usual activities of the Literature - Stewardship program have been continued during the past year. We are pleased to note increasing interest of young laymen in seeking reading materials. We are reminded of the message to the prophet Habakkuk after he had received a vision from the Lord. "Write the vision; make it plain upon tablets, so he may run who reads it;" and it spurs us on to try to find ways to provide more and better literature for the use of those young people who are seeking power to run the good race in their spiritual lives. To this end we wish again to urge more of you to put into writing the messages God gives you. A sermon may be heard once, and much of it be forgotten. You multiply the power of your message many fold if you print it and broadcast it among the people.

There is also need for books in other departments of work, Medical, Agriculture, Home-making, etc. The Medical Education Department

has this year published "Kucengeta Nekudya Kwe-wana" (The Care and Feeding of Children). We welcome more such informative materials.

We wish to express our appreciation for the services of those who are helping to solve the problem of distributing literature. But we are calling for more such faithful stewards.

The books published this year are Book II of Daily Light, for the last six months of the year, which sells for 2/9, and a small booklet, "Wonderful Jesus." The usual pictorial calendar came out in December, and some tracts have been printed in coloured pictorial folders which came to us as a gift from friends in America. A card with a message for children has also been printed and distributed. We thank the friends for sending us these useful supplies.

Pictures are indeed one great need. Perhaps some of the missionaries might also help us in providing illustrations for our publications, and that without too much cost or trouble. I am thinking of the cuts various ones have had made for letters and reports sent to America. In many instances doubtless these cuts are then cast aside with no

further use. They can help us a great deal if they can be turned over to our department, and we would be grateful for the loan or gift of any such that you may have on hand.

We are happy at the prospect of putting out a more attractive Umbowo HweuKri-stu during the coming year, partly because of the good gift of £350-0-0 from friends in St. Petersburg, Florida, which has provided some much needed type of a better size than we had before. Other new features will make the paper more desirable than ever, we believe.

Classes in the use of literature and in stewardship were made possible for the Religious Education leaders through the help of Mrs. Culver. More such opportunities for our ministers and workers through the Conference would increase many fold the effective use of the literature that is available. If the teachers are to be as effective as is needful in the Evangelistic program of the Church, would also be helpful if we might have such periods at the time of Teachers' Retreats held in the various districts in December or January.

Working together we hope to produce and distribute

better literature so that many, reading, may run the good race of life.

Respectfully submitted.

REPORT ON LAY LEADER

The Conference Lay Activities for the past year have gone forward with great strength. The Leader owes a debt of gratitude to the District Superintendents, Ministers, Mr. Murphree and others who have invited him to speak at various meetings throughout the Conference; as well as to the Hilltop Staff who has released him at various times throughout the year for these duties.

A great need in our Conference is a better understanding on the part of Laymen, of the organization of the Church and the duties of the various Church Officers. Lay Leaders do not yet fully understand their obligations and there is a great need for strong lay leaders. If we wish our Church to be strong, we must have a strong Board of Lay Activities. As yet our lay leaders do not take hold of the leadership responsibilities they have, and they need time and training to talk about lay work at Quarterly Meetings and other meetings. As they learn, they should be given full responsibility of their office.

Our people need greater teaching in the matter of Stewardship regarding the Minister's salary scale. Some districts have coped with the new scale but other districts have not yet been able to meet this obligation.

Next year it is planned to have a District Lay Leader's Conference so that they may have further meetings with the Circuit Lay Leaders, then the Charge Lay Leaders.

Salisbury Urban Church:

They are trying very hard to conform to the new salary scale. All the organizations are going forward. The local preachers serve 6 preaching places, but the people in Harare are hungry for the Word of God.

Mutambara District:

The Centre is the only place where the salary scale has been met. There, they are, in addition, extensively repairing the minister's house. Other parts of the District request ministers with less years experience that the salary may be an amount they can pay. Zimunya North Circuit had the privilege of being host to the first Wabvui South meeting.

Mtoko District:

Giving for the the support of the Pastor and other Church activities has impro-

ved. However, they are very concerned about Sunday sports interfering with the spirit of the Sabbath. They wish uniformity on Church discipline matters and lament that there is not time to teach the people the various pronouncements of the Conference. They urge that their people attend more faithfully the various meetings of the Church.

Mrewa District:

A great need for training Church Leaders and training in Stewardship is found here.

Nyadiri District:

People have improved in giving to the Church. This has increased since we began the district pool system controlled by one treasurer. We still look ahead to this part of the year left, to satisfy the needs of our church and our Ministers in the district.

The most inspiring thing in our district is the unity between our ministers and our missionaries in the work of our Lord.

Maranke — Chiduku District:

The offering which have previously been poor are increasing. There is need for the training of Church leaders in their understanding of their work, but explanations by District and Circuit Lay leaders have help-

ed to a certain extent. There is further need for Stewardship training. The District is a bit behind in the Ngariende fund and in Ministerial support, but they are trying to make this up.

M'TASA-MAKONI DISTRICT: Old Umtali and Gandanzara are the only places where the minister's salary is paid in full; the others are all in arrears. They are requesting a Wabvui Day in the Church Calendar.

UMTALI: The Church is Spiritual life, stimulated by the Christian Centre. The Lay leadership has been veary active as shown by the number of young and old who have been won to Christ. The Church support is paid in full. E. Chieza, Conference Lay Leader.

The African Christian Convention of the Northern Section

The 27th section (the 4th of the Northern section) of the African Christian Convention of the Methodist Church was held at Chamapango in Mrewa District, July

14 - 17, 1955.

This convention was well attended by delegates and a few people of the community.

Two speakers addressed the convention, Chief Mangwende of Mrewa District spoke on his visit to Europe; what he saw and what he learned.

Mr. J.S. Savanhu, M.P. spoke on the importance of Federal Government. They answered many good questions.

One of our Advisory Members was present, Miss S. King, who took part in many discussions and made helpful suggestions.

The following Resolutions are presented to Conference: Officers for the following year:-

Chairman, Rev J.T. Chitombo
Vice Chairman, Mr. J. S. Makuto

Secretary, Rev. D. Mushapai-dze

Vice Secretary, Mr. T. Mutemi
Treasure, Rev. W. Mandiso-dza.

Advisory Members:- Miss S. N. King and Rev. M. J. Murphree. These were confirmed by the Conference.

Resolutions of the Northern Section of the Christian Convention:

1. So that the people can understand what the work of the Christian convention is and how their contributions

of sixpence per member for the Convention are used, it was voted that a pamphlet containing the resolutions of the Convention and the actions of the Conference on those resolutions be prepared and printed or duplicated in Shona for distribution.

Money for printing these pamphlets should come from the Christian Convention funds and the pamphlets should be sold and the money turned back to the funds of the Convention.

2. Referring to the Conference Journal for 1954, No. 10, page 239, we move that our Conference choose some special workers to give some instruction in Sermon Preparation to Local Preachers.

3. Salisbury Church-- We move that the church in Salisbury be started using the funds on hand to erect a simple building to give us a start and afford a place of worship.

We recommend that a special campaign be organized to secure funds for the Salisbury Church and that our members be encouraged to give generously to provide for the shepherding of our people in Salisbury.

4. Cars for African Superintendents - We request our Conference to consider providing cars for our African Superintendents and Assistant Superintendents in order to facilitate their work and protect their health.

5. It was agreed to request that the Committee on Church Calendar include a special Sunday for Rukwadzano Rwe Wadzimai service.

6. We renew our oft-repeated request for Teacher Training in the Northern Section of our Conference for the following reasons: A. The qualification for teachers is continually being raised so that existing schools cannot be adequately staffed.

B. No new schools can be opened because of the low percentage of trained teachers.

C. Enough promising students who wish to take teacher training to make an entire class are expected to finish Std. VI at Mrewa and Nyadiri this year and a number of unqualified teachers in the Village schools are wishing to enter training also.

7. It was agreed to ask for the appointment of a special committee, composed of members from both sections of

the Christian Convention to study wedding customs in an effort to establish customs that are truly Christian and do away with the non-Christian customs such as the Samukadzi demanding money for going to the bridegroom's home.

8. It was suggested that a constitution be drawn up for the Arican Missionary Society to our guide our missionary and the Committee for the Chikwizo work.

The African Christian Convention. Southern Section.

The African Christian Convention met July 29 and 30, 1955, at Odzi. Although the numbers attending were small, the maximum being 55, the delegates contributed richly to the discussions with good spirit.

Lectures were given by James, the head orderly of the Odzi Clinic on First-Aid, Mr. A. Kanjanda on "Work Creats Good Homes;" and Mr. E. Chieza on Church Finance and Organization.

Rev. M.J. Murphree opened each day with a very inspiring devotional message. Miss Ball, our Missionary advisor, gave of her help in the discussions of various

questions in the meetings and also was most helpful concerning food and social arrangements. Rev. E.J. Aeschliman sent his apologies as he was on leave. The following resolutions were passed :-

1. We feel that a teacher should not be signed off without the knowledge of the School Committee, Pastor, or parents.

2. We recommend that the Ngariende Society give scholarships to approved candidates who will teach at Chikwizo, and that the Ngariende Society's Executive Council prepare the Scholarship agreement forms.

3. The following Committee were appointed to study the question of "Brotherhood" and to report next year: Rev. Aeschliman, Miss Ball, Rev. Musingwini, Rev. Chimbadzwa, Rev. Chiza, and Mr. E. Chieza.

4. We as a Christian Convention affirm that a guilty person who has once divorced cannot be married in the Church again, according to the 1952 Discipline, paragraph 356.

5. We wish to ask the Conference to discuss the question of the Recognition of African clergymen by the Government. If this Conference approves, we would like this question

sent to the Interdenominational Christian Conference.

6. The explanation of the use of school fees and grants was referred to the Board of Lay Activities and the District Superintendents of the Conference.

7. We feel that more shepherding and protection of its members from other denominations should be given by our Methodist Church.

8. The question of uniformity in Church discipline should be sent to the Central Conference for discussion and clarification.

9. We request that our Field Committee Building Committee make another plan for our prospective Church in Salisbury, as we see that £7700. cannot be raised before the 4 year period expires. Also we ask our people in the Conference to make a strong effort to obtain funds.

10. We recommend that Junior Certificate and Teacher Training boys be strongly urged by ministers and parents to study for the ministry, and we urge Dr. Culver to continue his campaign for cultivation of ministerial candidates throughout the Conference.

We further recommend that we take one more class of Std. VI graduates for ministerial studies.

11. The officers for the coming year were elected as follows and approved by the Conference.

Chairman: Rev. P. Machiri

Vice- „ Rev. M. Mparutsa

Wabvuwi Report — Northern Section

Bishop Booth and members of the Conference:—We thank the Lord for this privilege to give our report.

All along the R.R.W. has been doing great work in our Conference. The men of our Conference have thought to do their part in the Lord's vineyard also. It took several years before the men's society came to be a well-organized society.

We had our first big meeting at Chiriga last year in Mrewa District. This year we held our Annual meeting in Nyadiri District on the

30th June, 1955. Many people came to this meeting and many received salvation at the meeting.

Rev. Chitombo conducted the Communion Service. 582 people received the Lord's Supper that Sunday.

Headlands: The Wabvuwi visited three people who were very sick who also did not know Christ. But through the testimonies and prayers of the Wabvuwi, these people gave their hearts to Christ and died in the Peace of the Lord.

Mrewa South: The Wabvuwi of this circuit helped with 10/- at the death of one of their fellow Fishermen. £2-10-0 was also given to a widow.

This is a year of Makorokoto! We have a new baby born called "Programme." Here is the baby (giving program to Bishop Booth) Bishop will see whether it has eyes; arms and legs. All these past few years we have been doing what is of the Africans to be true, to recognize things by head. It was our wish to send this copy to our Bishop and Mrs. Booth before the Annual Comention but this was not possible.

THE ANNUAL CONVENTION

This is a great and glorious

work of God. We praise the Lord for the works of our Lord grow wonderful and more wonderful! It is as true as "Sweeter as the years go by." Delegates present were from the following: American Board Mission, Dutch Reformed, Anglican Methodist Synod, and Mushakata.

Chief Mutambarā came on Sunday, he would have come on Saturday but was prevented by a death in his family. He said in his speech, "We must be the branches of one vine; if the vine has many branches some might have sour fruits." This warned us of divisions.

There were seven thousand in attendance at the Meeting and fifty people testified to being born again and many of these were men. Many of us received new love and strength to do our Master's work.

We thank God for making it possible for the Missionaries who could come to be with us at the meeting, and for the dear Aunt L. Tubbs (as the Mutambara people call her) for sitting up from the early hours in the morning to the late hours of the evening so that we could have the loud speaker for the meetings.

May the Lord teach us the freshness of a book; the depth

of an ocean. To be as free as the winds and as faithful as seasons.

RUKWADZANO ANNUAL
CONFERENCE HELD AT
CHIGUDU HEADLANDS
DISTRICT

July 28 - 31, 1955

The blessings of God were upon our meetings, and we thank Rev. Tubbs for her wonderful loud speaker which the Lord used so His Words could reach all the people in the meetings; for the people were too many to be reached with the voice of any preacher. 3,033 people were present at the meeting on Sunday and 1,110 took the Lord's Supper. 102 people were converted.

£13. 6. 1 were collected for the Salisbury Church and the Rukwadzano North gave £100. for the Salisbury Church. That is a wonderful spirit so we praise our Lord Jesus Christ for the gift of the Holy Spirit He gave among our African women. We pray that such a spirit of serving may keep on growing among our Africans. Amen. Mrs. J. Chitombo, Secretary.

Report of the Methodist Historical Society

The work of the Methodist Historical Society of the Rhodesia Annual Conference has continued to be devoted to research and the collecting of both material and information relating to the history of the Missions and the development of the country along

with such missionary activities.

The sources that have been used consist of talks with the older men and women who were living in those early days, (both African and European) as well as continued research in the files of the Archives of Central Africa in Salisbury. There is still a wealth of material with which we are not acquainted which must become a part of our archives and records.

There is urgent need of starting research on the work of our Church in the Nyadiri, Mtoko and Mrewa districts. Much material is now available including letters written by Dr. Gurney and others.

There is also a great need to provide better equipment to care for the material already on hand. Mr. Sells is hoping, while on furlough, to secure some equipment but something should be done at once.

The Committee make the following requests to the Conference:

1. That the Conference ask for room somewhere in the new Theological Seminary Building for the housing of the material now on hand.
2. That the Conference be requested to make available to the Historical Society for the purpose of providing cupboards or other suitable equipment for the the safe

storing of the historical material now on hand in the "Strong Room" fund of £18. which has been held by the Conference Treasurer for many years. This fund was meant for the purpose of providing a safe place for valuable records and documents of the Conference.

3. That the Officers and Committee of the Society be the same as last year with the addition of P. Hassing to the committee.

THE METHODIST COUNCIL SOUTHERN RHODESIA

The eighth meeting of the Methodist Council was held in the Methodist Hall, Salisbury, at 9 a. m. on Thursday April 21st 1955, with morning and afternoon sessions.

Members Present

Conference: Bishop Newell S. Booth (Chairman of the meeting), the Revds. T. Roberts, S. Chieza, H. D. Griffin, Per Hassing, M. E. Culver, H. F. Anfinson, C. M. Miller, H.I. James, O.A. Stine, J. T. Chitumbo, J. M. Chimbadzwa, E. L. Sells, Miss Evelyn de Vries, (deputising for Miss M. Deyo.)

Synod:- The Revds H. Jesse Lawrence, F. B. Rea, S. M. Ushewokunze, S. J. Chihota, A. W. Heath, Sister Gwen Marsh, Revd. W. A. Hoskins (Secretary)

Apologies for absence were received from Rev. A. Ndhlela and Miss M. Baker.

The Council was welcomed to Salisbury by the Chairman of the Synod, the Rev. H. Jesse Lawrence, and devotions were conducted by Bishop Newell S. Booth.

Theological Training

The Revd Jesse Lawrence reported on conversations which had taken place between Bishop Raines and himself during Bishop Raines' recent visit to Rhodesia, and this was followed by a long discussion during which the following points were made:-

- (a) The obvious advantage of co-operative training for the most effective use of our resources.
- (b) The necessity of preserving the one Brotherhood of the Ministry.
It was strongly felt that it would be most undesirable to make any division between candidates on academic grounds, but that whatsoever courses of study candidates might take they should live and work together to the greatest possible extent.
- (c) The proximity of Epworth to the University College.

The nearness of the Theological College at Epworth to the University site

will enable resident students with the necessary qualifications and ability to study for a degree as part of their training for the Ministry.

Although the Southern Rhodesia Christian Conference are pressing for the establishment of Faculty of Divinity, this will probably not be set up for some years chiefly for financial reasons. In the interim period the few suitable candidates who might become available would have to take a B. A. Degree selecting the most suitable subjects. The long-standing relationship between Handsworth Theological College and Birmingham University in England was quoted as a parallel.

If such a relationship were established the desirability of having Tutors on the Staff of the Theological College with qualifications acceptable to London University was emphasised, and the Rev. H.J. Lawrence stated that the Synod would shortly have such a man available on the District Staff, and at least one other would have to be found.

(d) Necessity to establish

closer contact between the Conference and the Synod.

If joint Theological training is to succeed it is vital that closer contacts be established not only between leaders but also between members in all branches of our Church. The following suggestions were made:- inter - School weekends between Old Umtali and Waddilove, the interchange of Pastors for short periods- a Synod Minister working with a Conference Minister in his own Circuit e. g. for a short period of special evangelistic work - an invitation was issued to Conference male missionaries to attend a Synod Retreat at Bulawayo from July 18th to 21st. and the possibility of co-operation during the coming visit to Rhodesia of Dr. Harald de Wolf. At the end of this discussion the following resolutions were passed unanimously:-

1. This Council favours the proposal that Ministerial Candidates should be enabled to take a B. A. degree. N. B. Revd H. J. Lawrence was requested take enquiries concerning probable University fees.

2. This Council agrees to press that a Faculty of Divinity be established in the University as soon as possible.
3. This Council is of the opinion that the training of candidates for the Ministry for both branches of the Methodist Church should be carried out jointly, and that Ministerial training should be at Epworth and the training of the evangelists at Old Umtali.
4. This Council is of the opinion that such joint training should be begun in January 1959.
5. This Council agrees that a committee of 10 - 5 from the Conference and 5 from the Synod be appointed to work out all necessary details including buildings, curriculum etc. The Revd. H. J. Lawrence shall in consultation with Bishop Booth arrange the first meeting of the committee at the end of September or the beginning of October during the visit of the Field Secretaries from England and America. Conference delegates suggested Epworth as the meeting place.

Before rising for lunch Bishop Booth, on behalf of

the Conference delegates, expressed their thanks to the Revd. H. J. Lawrence and the Synod Members for the arrangements made and hospitality given for the present meeting of the Council. This was endorsed by the Revd. E. L. Sells and the Secretary was instructed to write a letter of thanks to the Salisbury Women's Association for their help in hospitality arrangements.

Joint Christian Centre in Salisbury

During the discussion the following points concerning Methodist work in Harare were made:-

(a) There are three Methodist sites in the Location. The Synod its large Church on one side of the Location and a site for a new Church which it is hoped to build in the near future on the opposite side of the Location. The Conference has a site in the centre.

(b) In addition to the work among the Synod and the Conference congregations there is a great need for Christian witness among the large number of Portuguese migrant labourers. The Evangelical Association of Portuguese East Africa has agreed to send an Evangelist to work among these people in Salisbury.

(c) The desirability of full-

blooded co-operative work not only in the use of the three present sites but also setting up a joint Christian centre. Each congregation should keep its own identity, but the work should be brought together into one Circuit. Two further suggestions made were:

(i) the possible use of the Synod Church by the Conference congregation, and (ii) the possible co-operation of the Conference with the Synod in the erection of the Church on the new site.

(d) At present there is very little affinity between the Conference and Synod congregations, and for such a scheme as outlined under (c) to stand any chance of success, ways must first be found of establishing much more friendly relations between the two congregations. The Council thought that the establishment of the proposed joint Christian Centre would be a big step in this direction. The following decisions were unanimously agreed upon:-

1. We request the Conference and the Synod to move forward to the formation of a joint Christian Centre in Salisbury to be under the supervision of the Methodist Council.
2. We appoint the following

committee to consider details of site, building, staff, programme, etc., for the proposed centre:

Conference representatives:-
Bishop Newell S. Booth, Revs. S. Chieza, M. Murphree and Per Hassing, and Miss Ball.
Synod representatives: the Revd. H. Jesse Lawrence, F. B. Rea, E. Mapondera, and Mr. J. G. Capon.

Convener:- Rvd. F. B. Rea.

Higher Teacher Training and Secondary Education

The Council agreed that in the immediate future Higher Teacher Training should be provided at Waddilove and Secondary Education at Old Umtali to serve both Synod and Conference students at this end of the country, with the possible provision of a British graduate for Secondary work at Old Umtali and an American for Higher Teacher Training at Waddilove.

Possible relationship of St. Andrew's Church, Umtali to the Synod: It was reported that Bishop Raines, following his visit to Umtali, had asked the Rev. H. Jesse Lawrence if the Synod be prepared to take over the English work in Umtali, and had been given an affirmative reply. Some of the Conference members present wished to keep the English work and no action was taken.

Literature, the Press and Visual Education

The following reports of work being done and plans for the future were received:-

I Literature

a. Co - ordination of literature for Africa.

The Revd. H.J. Lawrence reported that the Africa Committee of the British Missionary Society has appointed Mr. Banks to collect together present literature produced in all the African Districts and to make it available for all, as well as to produce new literature to meet African needs.

(b) Training of Africans for Literary Work

Bishop Booth stated that bursaries are available for such training from the American Methodist Board and the Literature and Literacy Committee of New York. He also reported that Dr. and Mrs. Shaklock, who are experienced in curricula in religious education might be visiting Africa and their help and guidance in this field would be most valuable.

(c) Sunday School Lessons

The British Youth Department Graded Lessons are being adopted to South African conditions

and made available through the Methodist Conference in the Union of South Africa.

(d) Pamphlets for Home and Family Week.

These are available in English and Shona from the Methodist Bookroom, 91 Moffat St., Salisbury.

2. Visual Education

(a) The Visual Aids Committee of the Rhodesia Christian Conference has collected together the nucleus of a film library consisting of over 100 film strips and 16 mm films. Membership of the library is open to individuals as well as schools etc., at a fee of two guineas per annum. The cost of transport both ways is the responsibility of the borrower. Films are confined to religious and missionary topics. Missions are being asked to make ex gratia contributions to help enlarge the library which has been built up with the aid of RAVEMCCO. Gifts of suitable films for which individuals may have no further use will be welcome.

(b) A recent conference was held of representatives of all bodies exhibiting films for Africans, at

which a memorandum was drawn up aimed at directing such entertainment into a more cultural channel. The possibility of putting the distribution of films under a corporation was also discussed.

(3) **Radio.**

The Revd. F. B. Rea reported that broadcasts have been arranged for Home and Family Week; also that the possibility of seconding a Minister to work in this sphere under the Southern Rhodesia Christian Conference is under discussion.

4. **Press**

The possibility of modernizing the present press

at Old Umtali was mentioned. The Revd H. J. Lawrence intimated that Synod policy was to put out printing to whoever could do the work best either in Rhodesia or overseas.

5. **Language School**

Bishop N. S. Booth said he was convinced that the Conference language school should continue and hoped that at some time in the future it might be possible to link it with the department of Bantu studies in the University.

The meeting closed at 5 p. m. when concluding devotions were led by the Revd. A. W. Heath.
